

Nicolò Nicolin

nclncl.ga nicolo@gmx.ie +39 3478632756

**BA student in Digital Management
at H-FARM & Ca' Foscari University of Venice**

Work Experience

MARGHERITA PALMIERI PT / WEB DEVELOPER
July 2019 - May 2020, Vicenza (Italy)

I had to create a WordPress website based on the directions given. I also helped her create a platform to create and sell her content online. You can check her website at margheritapalmieri.it

PHONE PHONICS/ MOBILE PHONE REPAIR TECH
July 2019 - September 2019, Cork (Ireland)

During my time there I had to fix phones, tablets, laptops and personal computers. My duties were to identify identifying cell phone problems, fixing issues, running tests and deal with customers.

HELLO ENGLISH CORK / GRAPHIC DESIGNER
May 2018 - June 2018, Cork (Ireland)

I had to design and create new logos and flyers for the company. I was also managing and advertising the company online through social media such as Facebook and Instagram. This was an internship paid by the Erasmus+ scholarship.

TUTOR
September 2017 - Present, Vicenza (Italy)

I weekly help people solve their IT problems. I teach both young and old people how to use better the piece of tech they have. I mainly teach how to use iOS and MacOS. I do this both in-person but also remotely.

Education

H-FARM & CA' FOSCARI / DIGITAL MANAGEMENT
September 2019 - Present, Treviso (Italy) - EQF Level 6

This degree course guides students on a path towards becoming dynamic and innovative individuals who can smartly utilize innovation in order to become the next generation of business executives that will be able to re-think and revolutionize professional and economic systems.

TECH HIGH SCHOOL A. ROSSI/ COMPUTER EXPERT
September 2014 - July 2020, Vicenza (Italy) - EQF Level 4

I scored 80/100 on my final state exams with honors in IT and Systems and Networking.
