Objective

Highly motivated Digital Management student with some working experience. I have strong passion for technology, and I believe it can really improve our lives. I want to do a job where I can help people and companies understand and exploit the real capabilities of the new technologies.

Education

BACHELOR'S DEGREE (BA) IN DIGITAL MANAGEMENT

H-Farm and Ca' Foscari University of Venice, *Treviso*

Expected graduation: May 2022

The course trains digital transformation specialists capable of providing support to companies in the digital transformation and innovation of business models.

Extracurricular activities: Soft skills lab, Agile project management

COMPUTER EXPERT

Technical High School A. Rossi, *Vicenza*

September 2014 – July 2019

Honours in IT and System and Networking.

Activities: *Student support committee* (I was responsible to organize events, activities and trips throughout the school year), *Used book exchange* (I've started and created this new service where students can sell and buy used schoolbooks)

Skills

- Excellent team leader
- Detailed oriented
- Proper use of MacOS, MS Windows, and Linux
- Very good communication skills
- Known coding languages: C++, C#, Java, Python, C and SQL

Experience

Web Developer

Summer of 2018 and 2019, Vicenza

I developed different website both for companies and people. I use WordPress, HTML, CSS, JavaScript and PHP.

Tutor

I weekly help people solve their IT problems. I usually do this both in person and remotely. I mainly deal with people that have Apple products.

Foreign Affairs Officer internship

August 2018-September 2018, Vicenza

During my internship I had to manage, write and organize certificates of origin and certificates of free sale at the Vicenza Chamber of Commerce.

Awards and Certifications

I currently hold the Cisco CCNA Routing and Switching certification and the Cambridge First Certificate in English.

In 2018 I won an Erasmus+ scholarship that let me work and study in Cork, Ireland for one month.

Thanks to a great team working plan I ranked n. 8 to the national WebTrotter competition, in 2017.

Hobbies

I like reading books about self-development, finances and autobiographies of successful people.
